

DAE #7
\$

**In The U.S. Patent & Trademark Office
Washington D C 20231**

**Title: Tire Pressure Monitor System
S. No. 10/073,575
Examiner: Andre J. Allen
Mailed: April 8, 2003**

**Inventor(s): Knox et al
Filed: Feb. 12, 2002
Last Action: 8/27/02**

**Subject: Petition to Revive
Unintentionally Abandoned Application**

**The Commissioner
U S P T O Washington D C 20231**

Dear Sir,

The applicants inadvertantly failed to respond to Office action dated Aug. 27, 2002. The six month statutory limit to respond has expired. The over sight was completely unintentional.

Accordingly the applicants respectfully petition the commissioner to revive above reference application such that the prosecution on the merits may proceed.

Kindly charge the small entity petition fee of \$650.00 for this to account number 01-2538. Any discrepancy in this fee may also be charged to the same account. A duplicate copy of this is enclosed.

With best regards

Petitioner
